DETAILED ACTION

Receipt is acknowledged of the Amendment filed 11-8-2005.

Allowable Subject Matter

Claims 1-31 are allowable over the prior art of record.

The following is an examiner's statement of reasons for allowance: Although Yamauchi (US PAT No. 6,356,141) teaches a driver with gate voltage control circuit, one of ordinary skill in the art would not have been motivated to modify the teaching of Yamauchi to further includes, among other things, the specific of a first voltage regulating circuit coupled to the current sinking circuit and the current steering circuit at a first node adapted to maintain a voltage that remains constant as a resistance of an external load coupled between the first and second output terminal varies (claim 1) and the specifics of the method of sinking the generated current via a first node adapted to maintain a first voltage that remains constant as a resistance of an external load coupled between the first and second output terminal varies (claim 27).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
